Dear Sir or Madam:

Applicant responds to the nonfinal Examiner's action mailed January 20, 2006, having a shortened statutory period for response set to expire February 20, 2006 as follows:

**RESPONSE TO ELECTION/RESTRICTION REQUIREMENT**

Applicant previously elected to prosecute Group I claims 1-10, 18-25 and 28-29, drawn to a capillary column. The election of Group I was made without traverse. Applicant thanks the office for bringing the deficiency of the prior election as well as the Office's recognition that Applicant's previous response was *bona fide*.

Applicant hereby elects the species comprising the sol-gel precursor Z. Applicant presents claims 1, 6-10, 18-19, and 24-29 as reading on the elected species.

**REMARKS**

If an Examiner's Amendment would place the pending claims in condition for allowance, a telephone call to the undersigned at (727) 507-8558 is requested.
